

Feb. 24, 1964

Dear Sirs,

I hope you have taken
my letters in careful
consideration. All the
things I have said are
true and I have more.
Chuck and mine plan
of assassinating President
Johnson, his wife and
children.

Just we will get
the children then
the wife then the
President himself. I
wouldn't use the
Secret Service to
guard the Johnsons
creeps.

Good Luck in
trying to catch us.

Yours truly
Sam Canby
